

## **DELAWARE EMERGENCY MEDICAL TECHNICIAN RECIPROCITY (HYBRID)**

**(12 hours)**

**PURPOSE:** The Delaware Emergency Medical Technician Reciprocity course allows individuals from other States/Regions who are certified as a National Registry of Emergency Medical Technicians (NREMT) EMT, to gain their Delaware Emergency Medical technician certification. The curriculum provides the student with a review and update of in-depth knowledge and skill-based training of the Delaware required content to appropriately assess, stabilize, monitor, and transport pre-hospital patients. Individuals must be affiliated with a Delaware EMS provider.

**CONTENT:** This course provides the student with a review and update in-depth knowledge and skill-based training surrounding the Delaware EMS policies and procedures to appropriately assess, stabilize, monitor, and transport the pre-hospital patient according to Delaware guidelines. This course contains 6 hours of online content to be completed before attending 6 hours in the classroom. Successful completion of this course will include passing a state approved practical review and written exam, as well as passing the Office of Emergency Medical Services BLS Protocols examination.

**AUDIENCE:** This course is intended for those individuals who are NREMTs certified in another NREMT State/Region, to refresh and update those individuals who respond to pre-hospital situations as a certified EMT and must manage, treat, and transport the patient to an appropriate medical facility.

**PREREQUISITES:** Must have current certification as a NREMT Emergency Medical Technician, current certification as an Emergency Medical Technician in another State, and in BLS Provider CPR/AED or equivalent and produce a legible copy at registration. **NOTE:** Other documentation **MUST** be submitted separately to the Office of the State Fire Prevention Commission in addition to this course for actual certification and is available from their office or through their website (<http://www.statefirecommission.delaware.gov/>) on their EMT Certification page.

**CLASS LIMITS:** Online Content: No Limit; Classroom Sessions: Minimum 6; Maximum 25. Completed registration forms will be accepted until class limit is satisfied or deadline date is reached. You will be notified by email of your acceptance into the class.

This course is not available as an In-Service training.
