

DELAWARE LEVEL UP TO NREMT (HYBRID)

(30 hours)

PURPOSE: The Delaware Level Up to NREMT course meets the National EMS Education Standards published guidelines under the National Registry of Emergency medical Technicians (NREMT) National Core Competency Program (NCCP). The curriculum provides the student with a review and update of in-depth knowledge and skill-based training to appropriately assess, stabilize, monitor, and transport pre-hospital patients. Students successfully completing this course may attend the Delaware State Fire School NREMT Psychomotor examinations, and upon successful completion they may then sit for the National Registry cognitive exam. Individuals must be affiliated with a Delaware EMS provider.

CONTENT: This course provides the student with a review and update in-depth knowledge and skill-based training to appropriately assess, stabilize, monitor, and transport the pre-hospital patient. This course contains 14 hours of online content to be completed before attending 16 hours in the classroom. Successful completion of this course will include passing a state approved practical and written exam, as well as passing the Office of Emergency Medical Services BLS Protocols examination. Upon successful completion, students will then be eligible to begin the process for the NREMT psychomotor and cognitive examinations.

AUDIENCE: This course is intended refresh and update those individuals who respond to pre-hospital situations as a certified EMT and must manage, treat, and transport the patient to an appropriate medical facility, who wish to attain their National Registry of EMT (NREMT) certification.

PREREQUISITES: Must have current certification as Delaware Emergency Medical Technician, and in BLS Provider CPR/AED or equivalent and produce a legible copy at registration.

CLASS LIMITS: Online Content: No Limit; Classroom Sessions: Minimum 6; Maximum 25. Completed registration forms will be accepted until class limit is satisfied or deadline date is reached. You will be notified by email of your acceptance into the class.

This course is not available as an In-Service training. Call to Schedule.
