

How to get to our new online learning page through the Delaware Learning Center

Go to our website at <http://statefireschool.delaware.gov>.

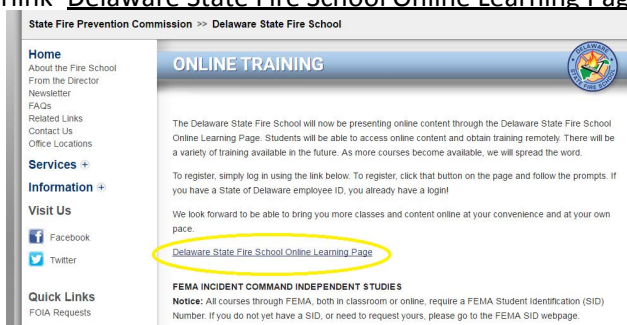

Click the blue 'Online Training' button in the main column to the right.

Students will be directed to our online training page.

Once there, click the hyperlink 'Delaware State Fire School Online Learning Page' near the top of the page.

Once there, the student will register if they do not have a Delaware Learning Center account and are not a State employee. Otherwise, the student will click Login to continue onto the site.

Students creating an account will be advised by Email that their request was received and when it is approved. Please be sure to complete all of the required sections marked with an asterisk '*' and be sure select your primary fire company affiliation. If you are not associated with a fire company, you may select one out of the other selections, or contact the Fire School with any questions about this section.

If you are not assigned to your course within 2 business days of the start date/date given for content being available, please contact the Fire School at 302-739-4773 as soon as possible.

Your log in will be the email you used to register on the website and ALWAYS BE SURE to remember your password to avoid any delays in completing online course work if there are any problems recovering your password through the Delaware Learning Center.
