

# INJURY PREVENTION AND LIFE SAFETY PROGRAMS

The free safety program offered to schools and community groups cover many of the risk areas important in preventing injuries and deaths in children. Some of these risk areas include:

- **Bicycle Safety**
- **Pedestrian Safety**
- **Stranger Safety**
- **Poison Safety**

## Programs Available:

### Kindergarten and 1<sup>st</sup> Grade Classes

- Poison Prevention
- Stranger Safety
- Bicycle and Pedestrian Safety

### 2<sup>nd</sup> and 3<sup>rd</sup> Grade Classes

- Poison Prevention
- Stranger Safety
- Safety and Your Body – Addressing bicycle helmet usage and motor vehicle safety, and the importance of sitting in the back seat

### 4<sup>th</sup> and 5<sup>th</sup> Grade Classes

- Bicycle and Pedestrian Safety
- Safety and Your Body – Addressing bicycle helmet usage and motor vehicle safety, and the importance of sitting in the back seat

### Other Programs with Partner Agencies (when available)

- Bicycle Rodeo for 4<sup>th</sup> and 5<sup>th</sup> Grade Classes
- Safety Day program for Kindergarten and 2<sup>nd</sup> Grade classes with a variety of safety topics offered

### Halloween Safety

In partnership with **Safe Kids Delaware**<sup>®</sup>, we offer Halloween safety displays and handouts to local libraries. **Presentations and displays may also be requested at local community events.** We will work with your school on a schedule for the presentations.

The preferred location is 1 to 2 classrooms for each specific topic area. We will make all efforts to coordinate the schedule around recess, lunch, and specials as necessary.

**For more information or to request an injury prevention presentation, contact:**

**Kim O'Malley** 302-739-4773 or [kim.omalley@state.de.us](mailto:kim.omalley@state.de.us)

**Forms:** Display or Tour Request Form
