

DELAWARE STATE FIRE SCHOOL RECOGNITION OF TRAINING PROGRAM

Firefighter - Fire Officer – Administrative Officer

GENERAL GUIDELINES

- Each level of recognition must be achieved before advancing to the next level. Courses may be taken in any order in accordance with the sequential program and specified pre-requisites. Courses must be completed for acceptance into the Recognition Program.
- Firefighter II and Fire Officer I, requires the completion of specified Delaware State Fire School Courses and a required number of elective courses. The student may pick the electives that are of interest to them.
- When an individual successfully completes the necessary requirement for a given level they may apply for that level. Application will be made on a form provided by the Fire School. Information and forms are located on the Fire School web-site.
www.statefireschool.delaware.gov
- Complete the application in full, have Fire Chief Sign the form and fax (303) 739-6245 or mail to the Fire School.
- Once training is verified by the Fire School, the applicant will be mailed the appropriate certificate and the recognition level will be noted on the applicant's training record.
- The applicant may purchase the appropriate emblem by presenting proof they have obtained that level.
- Applications and certificates of recognition will be coordinated through the Fire Chief of the department.
- Only courses conducted by the Fire School are considered for recognition.
- Courses taken at other institutions or conducted by other institutions are not acceptable as part of the Recognition Program.
- Any and all questions regarding the Recognition Program shall be in writing, to the Director.
