# Certification Examinations

## Purpose

To allow firefighters who meet the necessary prerequisites to challenge a nationally recognized examination for the purpose of being certified under the National Board on Fire Service Professional Qualifications.

## Content

The written examination for Fire Officer I certification consists of multiple-choice questions. Fire Officer I & II tests are 100 multiple-choice questions. Test questions are based on NFPA 1021 Standard for Fire Officer I, also IFSTA "Fire and Emergency Services Company Officer", 5<sup>th</sup> Edition. In addition, applicants will be required to complete a practical applications package (assignment) with the written exam.

## Audience

Any fire department/company member who meets the general prerequisites as specified.

## Prerequisites

Fire Officer I – NFPA Firefighter II and NFPA Fire Instructor I

## Practical Application (assignments)

Unless candidates have taken and passed, DSFS Fire Officer I course (respectively) within the last 24 months, each applicant testing for Fire Officer I will be given an assignment package at the conclusion of the written exam. The package includes practical applications required to be completed prior to leaving the test site.

***NOTE: Applicants will receive a confirmation by mail or email upon acceptance. Applicant must bring confirmation and photo ID on test day to be admitted. The individual requesting certification testing must include with their application package COPIES OF ALL OF THE FOLLOWING:***

## Fire Officer I Certification

An individual applying for certification testing must include the following with their application package:

- Be at least 21 years of age – Provide legible photo copy of Driver's License
