Escaping Violent Encounters Instructor Course

Escaping Violent Encounters for Emergency Medical Services & Fire

EVE 4 EMS FIRE

Patient and Provider Scene Safety Training for America's First Responders

www.dt4ems.com

June 15-19 8AM-5PM

Held at Kent County DSFS

Objective : To empower cultural and behavioral modification through the enforcement of exemplary customer service, reasonability, and industry best practices that yield a reduction in employer liability and culminate in an increase employee safety and security.

**** NO PREVIOUS Martial Arts, Self-Defense, or DT training needed** to attend our instructor course. Although many of our trainers have experience, many do not. All are equally successful DT4EMS Instructors.

Simply teaching a few "moves" does not give a provider the much needed critical thinking skills for the situational dynamics that are involved during human conflict (verbal or physical). The provider must receive training that seamlessly weaves mental, physical, media and courtroom preparation.
