Hazardous Materials Awareness and/or Operations Certification Examinations

Purpose

To allow firefighters who meet the necessary prerequisites to challenge a nationally recognized examination for the purpose of being certified under the National Board on Fire Service Professional Qualifications.

Audience

Any fire department/company member who meets the requirements as specified.

Content

The written examination for Hazardous Materials and Operations certification consists of multiple-choice questions. Test questions and required skill evolutions, are based on the NFPA 1072. It is suggested that the applicants use the **IFSTA Essentials of Fire Fighting and Fire Department Operations, 6th Edition** as a study guide for the written tests and practical evaluations.

Practical Evaluation

Candidates **MUST** have completed ***DSFS Basic Firefighting Skills***, ***DSFS Hazardous Materials Awareness class*** or a *pre-approved* Hazardous Materials Awareness Course for **Hazardous Materials Awareness** testing. No Skills are necessary. Candidates shall have completed ***DSFS Hazardous Materials Response Skills*** or an equivalent, *pre-approved* Out-of-State Hazardous Materials Operations Level Course for **Hazardous Materials Operations** testing. Only one day is necessary to complete the testing requirements. Applicants will need to make special arrangements confirm the Out-of-State Hazardous Materials course and associated skills are approved ***before*** the written examination. Applicants will be notified of their acceptance and which day they need to attend to complete the testing.

NOTICE

If meeting ***all*** pre-requisites for both Awareness and Operations testing, a combined certification test for both levels is available. Please note the pre-requisites in order to be eligible upon applying. Applicants will be notified of their acceptance and which day they need to attend to complete the testing.
