Camp Fury Delaware Presents
EMPOWERMENT DAY
with **GUEST SPEAKER MICHAELA HRUSKOVA**

Join us for a fun-filled, inspirational, and FREE half-day at the Delaware State Fire School with staff from Camp Fury Delaware and our guest speaker, Michaela Hruskova. Michaela, her colleagues, and their K9s, will be sharing their experiences and answering questions about a career in the field of search and rescue. Afterwards, learn more about the emergency services during mini sessions led by Camp Fury Delaware staff!

Michaela Hruskova of Northeast Search and Rescue was born and raised in the Czech Republic, and started K9 training at 10 years old. Her passion for dogs continued when she moved to the US, and Michaela joined a search and rescue group in 2012. She has two Belgian Malinois, named Brita and Aquilas. Michaela currently owns TRI EDGE K9, and is heavily involved in Northeast Search and Rescue.
