

Course curriculum must meet or exceed AHA standards.

The following CPR/AED/Basic First Aid curriculums are already accepted by the Office of Emergency Medical Services (OEMS) and have been verified as AHA equivalent.

Any other course must be sent to OEMS for verification.

1. American Heart Association (Professional Rescuer)
2. American Red Cross (Professional Rescuer)
3. American Safety and Health Institute (Professional Rescuer)
4. Emergency Care and Safety Institute (Jones and Bartlett Publishing) (Professional Rescuer)
5. EMS Safety Services, Inc. (Professional Rescuer/Healthcare Provider)
6. National Safety Council (BLS for Health Care, Professional Rescuers)
7. ProTrainings/ProCPR (Professional Rescuer)
8. Coyne First Aid (Industrial Facilities)
