# Incident Safety Officer Certification Examinations

## {Written Test Only}

### Purpose

To allow firefighters who meet the necessary prerequisites to challenge a nationally recognized examination for the purpose of being certified under the National Board on Fire Service Professional Qualifications.

### Audience

Any fire department/company member who meets the general prerequisites as specified.

### Content

The written examination for Incident Safety Officer certification consists of multiple-choice questions. Incident Safety Officer tests are 100 multiple-choice questions. Test questions are based on NFPA 1521-2016 Standard for Incident Safety Officer, also **IFSTA “Fire and Emergency Services Safety Officer”, 2<sup>nd</sup> Edition**. In addition, applicants will be required to complete a practical applications package (assignment) to be submitted with the written exam.

### Practical Application (assignments)

Each applicant testing for Incident Safety officer will be given an assignment package before arriving at the written exam. The package includes practical applications required to be completed prior to leaving the test site.

***NOTE: Applicants will receive a confirmation by mail or email upon acceptance. Applicant must bring a copy of the confirmation email and photo ID on test day to be admitted.***

### Prerequisites
