Notice to All DSFS Students and Training Officers

July 14, 2020

We would like to remind all students and training officers that if you had a registration for a class that was cancelled over the spring season, you still need to register for the same class this fall.

As with any other cancelled class in the past, be it for any reason, registration in the next scheduled class is not automatic as schedules vary for students who wish to attend. A new registration form is necessary to hold a seat in the new classes with limited seating. Also, NO WALK INS will be allowed. It is imperative to submit the new registration form.

We thank you for your understanding and we look forward to seeing you at the Fire School.
