Register on the NETC Admissions Page by February 23, 2024

Courses may be subject to cancelation due to low registration.
In the case that occurs, students will be contacted to schedule another course.

The Delaware State Fire School is partnering with Connecticut and the National Fire Academy for another Weekend in 2024.

These two-day courses are available for registration:

- W0166 – EMS Functions in ICS
- W0455 – Strategy and Tactics for Initial Company Operations
- W0646 – Leadership in Supervision: Creating Environments for Professional Growth
- W0729 – Incident Safety Officer
- W0760 – New Fire Chief: Challenging Issues
- W0770 – Fire Investigation: First Responders

Register for these classes at the National Emergency Training Center Admissions Page at https://training.fema.gov/netc_online_admissions/

When registering, use your Sponsoring organization in the "Organization Name", **but** use Vincent Miller, DE Weekend Coordinator, and the e-mail vincent.miller@delaware.gov for your "Head of Organization".

You or your sponsoring organization will be responsible for any other costs associated with the weekend.

Reminder: Delaware sponsored attendees will be sponsored for their meal ticket. Out-of-State/Unaffiliated attendees will need to purchase their own at the **NETC Meal Ticket page**. Meal tickets to purchase are the "Weekend Course" package.
